Please feel free to forward this email to your colleagues, friends, and family in Arizona. Their perspectives would also be valuable.

Thank you for taking the time to help us focus our efforts.

Suggested email invitation text to Topical Experts (likely non-Extension users):

Dear _____,

The University of Arizona Cooperative Extension (UACE) is part of a nationwide network of scientists and educators who work with communities to solve problems using scientific and local knowledge. UACE has offices in every county and on some tribal lands, linking the university with Arizona residents across the state.

You have been identified as someone knowledgeable about community issues in one or more of Extension's focus areas: agriculture and natural resources; family and consumer health sciences; and youth development and leadership.

By completing this 15-minute survey, you will be helping us make important choices about how to best continue serving the community through programs and partnerships.

Please feel free to forward this email to your colleagues, friends, and family in Arizona. Their perspectives would also be valuable.

Thank you for taking the time to help us focus our efforts. If you would like more information about Extension and what we are doing in your community, please feel free to contact me.

Suggested email reminder text (~2 weeks after first email):

Dear _____,

This is a reminder that you have been invited to participate in a 15-minute survey as part of University of Arizona Cooperative Extension's (UACE) statewide needs assessment. If you have already completed the survey, thank you so much and please disregard this email!
