If you're having trouble enrolling in a class, **please read the error message carefully** before asking an advisor. Make sure you look at the **enrollment requirements** for each class to understand the requirements to enroll!

- Are you trying to enroll in a course that is restricted only to Honors students?
- Do you need a placement for the class? (common for math and science classes)
- Does the class require a certain pre-requisite?
- Are you trying to enroll in a course that is restricted only to certain majors? If so, you may need to wait until open registration to enroll.
- Is the class full?
- Is there a time conflict with a class in which you're already enrolled?
- Are you trying to enroll in more than 19 units? You need advisor permission to take more than 19 units!
