

Imagine Your STEM Future Internship

The Imagine Your STEM Future Internship Program pairs female engineers from Raytheon and UArizona students with local high school girls. UArizona interns facilitate hands-on STEM activities 2-3 days per week throughout the semester, providing the opportunity to build sustained, trusting relationships with girls and providing STEM role models in the classroom.

Apply at wise.arizona.edu/imagine-your-stem-future

- 8 hours per week commitment
- Must be available on Monday, Thursday, or Friday 7am-9am & Wednesdays 3-5pm
- Earn up to 3 units of UArizona academic credit for Fall 2022

While Imagine Your STEM Future is designed with the interests and experiences of girls in mind, it is open to students regardless of sex or gender.
