WE'RE HIRING

Graphic Design Summer Internship

Position Summary
Logo Brands is currently looking to fill the position of Graphic Design Intern. The ideal candidate is creative, energetic, and passionate about all aspects of graphic design. The Graphic Design Intern's main focus will be on creating production art for the Logo Brands products with some additional responsibilities included.

Roles and Responsibilities:
• Production of art files used to create and decorate products at the Logo Brands factories
• Ensure consistent styling while also working within specific school/league guidelines
• Provide support to the creative team – which could include marketing initiatives, product design, and packaging

Skills & Qualifications:
• Proficiency in Adobe Creative Suite programs, primarily Illustrator and Photoshop
• Computer photo-retouching and image development skills
• Strong attention to detail
• Ability to effectively handle multiple assignments at one time

Hours:
• Schedule determined by Logo Brands team lead.
• Most positions will be Monday – Friday from 8:00am to 5:00pm.
• This position is not remote. You will be required to be in the office.

Pay:
• $2,000 gross paid in two installments monthly.
