## MEET WITH HDFS ADVISING

## Liz Collins, Academic Advisor

<u>eamartin@email.arizona.edu</u>
McClelland Park, room 203F
Sophomore, Junior, and Senior HDFS Majors

## Arianna Buchanan, Academic Advisor

ab834@email.arizona.edu
Forbes Building, Room 203
1st Year HDFS Majors
HDFS Minors
Prospective Students & Change of Majors

To schedule an appointment and view weekly drop-in availability, visit the HDFS Advising Website: <a href="https://norton.arizona.edu/academic-advising/human-development-family-science">https://norton.arizona.edu/academic-advising/human-development-family-science</a>

## <u>Appointments, Drop-Ins, and Email – Determine What is Best for You:</u>

## Schedule an Appointment 30 Minute Meeting

- Course planning past the current semester (graduation plan)
- Minor exploration
- Transfer credit approvals
- Study Abroad planning
- Advising signature for financial aid appeal
- Concerns about academic difficulties and advice about academic success strategies
- Personal exploration regarding graduate school, internships, jobs, etc.
- \*Make advising appointments online & write down your appointment date and time so you remember to attend.

## **Drop-In Advising**5-10 minute quick questions

- General information about course offerings or course content
- Verification of existing schedule
- General information about major requirements, a UA policy, or a campus resource
- Quick Signatures
- Questions like: "Can CHEM 101A fulfill a Natural Science requirement?"
- Turning in hard copy forms for internship, research, or preceptor enrollment
- If you have an urgent question that may be longer than a drop-in question, please feel free to drop-in. We will do what we can in the allotted time, and schedule a follow-up meeting if needed
- \*Drop-in advising is on a first-come, first-served basis. There may be a wait, so make sure you have time to stop by.

## Email Quick questions/clarifications

- Clarification if you are unsure an appointment is necessary
- Clarification of a UA policy or procedure
- Quick review of your current course schedule
- Turning in electronic forms for internship, research, or preceptor enrollment
- Other inquiries if we can answer your question over email, we will. If your question is more complex, we'll recommend that you make an appointment or attend drop-in advising hours to talk more
- \*Make sure you use your UA email address for advising communication. Allow 24-48 hours for a response.

## Make the Most of Academic Advising: Before, During, and After Your Meeting

## Before Advising Meeting

- Determine what kind of advising appointment you need (meeting vs. drop-in)
- Familiarize yourself with the UA Calendar and be aware of University deadlines
- Review your academic advisement report
- Come prepared with an HDFS catalog checklist
- Prepare a list of courses you are considering
- Prepare other questions you have and write them down
- Bring advising materials from previous appointments
- Cancel at least 24 hours in advance if you are unable to attend
- Make your appointment well in advance of your first day to register for classes
- Bring materials to take notes and a laptop if you have one

# During Advising Meeting

- Arrive on time
- For in person meetings, sign in at the front computer in Student Services, McClelland Park Room 203.
- For virtual meetings, find a place free from distraction. Have access to zoom and enable your video and microphone. Do not multitask (driving, walking, working) during your meeting.
   Preferably use your computer rather than your phone.
- Turn off or silence your cell phone or other distractions
- Be open with your advisor about how things are going academically and personally
- Be willing to share things about yourself so we can better understand your goals and interests
- Ask question and take notes

## After Advising Meeting

- Keep an advising folder with information you learn in all your advising appointments
- Complete any necessary follow up steps that your advisor recommended
- Seek available campus resources and opportunities discussed in your appointment
- If something is unclear afterwards, send follow up questions via email or attend drop-in hours

## **Email Etiquette**

- Use your University of Arizona CatMail account.
- Use a clear subject line such as "Question about my schedule."
- Include your full name (include your student ID number when emailing with your academic advisor).
- Include as much detail as possible about your question. For example, if you are having trouble enrolling in a
  class, email your advisor and include the course numbers of any classes you are having difficulty registering
  for, along with any error messages you may be receiving.
- Keep your questions clear, short, and to the point.
- Don't be too casual with your advisors or professors when using e-mail. Proof-read and spell check!
- Allow 24 hours for a response, excluding weekends and holidays.

## **ADVISING ROLES & RESPONSIBILITIES**

## **Student Responsibilities**

- Read University Email Daily
- Take the initiative to meet with your advisor at least once per semester, or as often as needed, to discuss your progress
- Be involved in the advising process by being prepared to discuss your goals and educational plans during meetings, bring questions and necessary materials to meeting, and be open to suggestions
- Take responsibility for making academic and career decisions based on available information and advice
- Develop a working knowledge of policies, procedures, deadlines, and campus resources.
- Execute an academic plan directed toward completing your degree
- Review and become familiar with your major/minor requirements each semester and track your progress towards graduation
- Utilize UA resources that will help you succeed academically and prepare for life after graduation

## **Advisor Responsibilities**

- Provide accurate and consistent information
- Clarify, interpret, and confirm program requirements, policies, procedures, and deadlines
- Advise students in exploring and defining academic and career goals
- Assist students with creating short and long-term academic plans
- Assist students with making academic and career decisions consistent with interests, values, and abilities
- Listen responsively to address questions, concerns, and problems
- Facilitate relationships between students and other individuals on campus; refer students to appropriate support services when needed
- Maintain confidentiality according to the Family Educational Rights and Privacy Act (FERPA)
- Consider student's best interest when advocating for policy or curricular changes
- Be available and accessible to answer questions

## GET TO KNOW YOUR ADVISORS

As an HDFS student in the College of Agriculture and Life Sciences (CALS), you have two sets of advisors - HDFS Major Advisors and a College Advisor. Below is a description of each advisor's role

#### **HDFS Major Advisors – McClelland Park Room 203:**

#### Major coursework advising

- Course selection and sequencing, meeting HDFS graduation requirements
- Evaluation of transfer credit in the major

#### Getting involved on campus

- Finding clubs, internships, and research opportunities Connecting with HDFS faculty and internships
- Liz Collins & Arianna Buchanan HDFS Academic Advisors <a href="https://cals.arizona.edu/students/advising">https://cals.arizona.edu/students/advising</a> - eamartin@arizona.edu & ab834@arizona.edu

#### CALS Advisors – Forbes Room 203:

## Process forms and petitions, acts as Dean's signature

- General education petition
- Withdrawals past week 10
- Academic eligibility advising for students below 2.0 GPA

Policy interpretation and enforcement

## STUDENT RESPONSIBILITIES

**Student Four Year Timeline**: Your advisors are here to help you with all these steps. Every semester it is recommended that you meet with your advisor at least once (or as much as needed), and that you always ensure your wellbeing comes first by reaching out for personal or academic assistance when necessary.

#### 1st Year

- Explore interests, strengths, and careers
- Make tentative plan of classes year by year
- Get involved with clubs, organizations, and volunteering
- Start looking into internships, research, and/or study abroad
- Start building a resume
- Start to develop effective time management and study strategies
- Attend office hours
- Explore campus resources that can enhance your academic and personal success

### 2<sup>nd</sup> Year

- Finalize and declare major(s) and minor(s)
- Seek volunteer opportunities, internships, research, and/or study abroad programs
- Update resume
- Develop relationships with faculty and attend office hours
- Research postgraduation options and talk with mentors about your goals
- Stay involved in activities that suit interests and goals

## 3<sup>rd</sup> year

- Research career options and graduate programs
- Talk to advisors, internship coordinators, and career services to enhance professional skills
- Update resume
- Continue volunteer opportunities, internships, research, and club involvement
- Take graduate entrance exams
- Continue connecting with faculty and mentors

## 4<sup>th</sup> Year

- Apply for graduation and meet with your advisor to complete your degree check
- Finalize career, professional, or graduate school plans
- Apply for graduate or professional schools
- Submit resumes and begin interviewing

**Student Semester Timeline:** Your advisors are here to help you with all these steps

Identify semester goals and finalize semester schedule **Term Begins:** 

If necessary, make any last-minute changes to your schedule Week 1:

Check academic deadlines on the Registrar's website regarding adding and dropping courses

for the semester

Evaluate how you are doing in your classes. Make a time management plan for the semester. Week 2:

The deadline to drop a course without a W occurs the 2<sup>nd</sup> week of classes

Visit your instructors during their office hours before your first exams and papers. Start Weeks 3-8:

looking into clubs, volunteer opportunities, and campus resources to support your success. During weeks 3 through 10, you can drop a course through UAccess but will receive a W on

your transcript (you can receive a maximum of 18 units of W at the UA)

Get ready to register for next term and make an appointment with your academic advisor Week 7-8:

Re-evaluate how you are doing in your current courses. Attend office hours and seek Week 8-10:

academic assistance when necessary.

The final withdrawal deadline will occur week 10

**Weeks 11-13:** During weeks 11-13, students can drop a course with a W only through a Late Change

Petition, which must be filed through the College Dean's Office (Forbes 203) and signed by

your instructor

Week 13 -

Complete any projects due at the end of the term. Verify final exam schedule and start to

review. Visit office hours and Think Tank for extra help. **Finals Week:** 

Complete withdrawal from all classes is available until the last day of classes

<sup>\*</sup>If you are enrolled in a dynamically dated class (5 weeks, 7 weeks, etc.) make sure you look at the Dates and Deadlines for those classes to understand add/drop deadlines, as they will be different from 15 week courses https://www.registrar.arizona.edu/courses/dates-deadlines

## **GRADUATION REQUIREMENTS**

## **University Foundation Requirements**

### **English**

Choose one of the following sequences based on placement

- ENGL 101 & 102
- ENGL 107 & 108
- ENGL 109H (requires placement)

#### Math

HDFS requires College Algebra

Math 107, Math 112, or Higher Math

Students must test into College Algebra or complete the necessary math sequence based on placement. For example:

Math 100 → Math 107 or Math 112
 \*Math 107 does not serve as a prerequisite to other math and science courses. Consult with your advisor if you have questions about the math course best for you

It is <u>highly</u> recommended that students complete their foundation math requirement before their junior year. Meet with your advisor to plan correctly!

## **Second Language**

HDFS requires 2nd semester language proficiency

There are 3 Ways to demonstrate proficiency:

- Complete a 2nd semester language course with a C or better (e.g., SPAN 102, FREN 102)
- Score the equivalent of 2nd semester skill level on a language proficiency exam administered in person by UA
- AP, IB, or CLEP exam scores

#### **Placement Information**

- Writing Placement: <a href="https://english.arizona.edu/foundations-writing">https://english.arizona.edu/foundations-writing</a>
- Math Placement: http://math.arizona.edu/academics/placement
- Language Proficiency Requirements and Exam: <a href="http://advising.humanities.arizona.edu/second-language-proficiency-requirements">http://advising.humanities.arizona.edu/second-language-proficiency-requirements</a>
- Testing Office, for Math Placement Test and CLEP Exam: <a href="http://testing.arizona.edu/">http://testing.arizona.edu/</a>

#### **Math & Language Substitution Information**

HDFS does allow math & second language substitutions for students who have a documented learning disability, which may affect learning and comprehension in math or language courses. If you have this documentation and believe a substitution may apply to you, please make an appointment to speak with your academic advisor and the Disability Resource Center. We can talk about the process of receiving a substitution, and talk about the other types of courses available to fulfill your requirements.

## General Education Tiers Requirements (For students who started at UA before Spring 2022)

Tier I

Tier II

**Diversity** 

## Individuals and Societies (INDV)

Choose 2 courses numbered 150, for example: HIST 150C1 and ANTH 150B1

**ARTS** 

**Diversity Emphasis Course:** 

Focus is on Gender, Race, Class, Ethnicity, Sexual Orientation, or Non-Western Studies. *Can be fulfilled through approved Tier I or Tier II Gen Eds* 

## Traditions and Cultures (TRAD)

Choose 2 courses numbered 160, for example: CLAS 160D1 and SPAN 160C1

**Humanities** 

**Notes:** 

Courses used to fulfill Tier I or Tier II General Education requirements cannot be used to fulfill HDFS major requirements.

Natural Sciences (NATS)

Choose 2 courses numbered 170, for example: GEOS 170A1 and PTYS 170B2

**Natural Sciences** 

A maximum of two Tier Two courses may also be used to satisfy minor requirements.

HDFS does not require students to complete a Tier II INDV Gen Ed

## New General Education Requirements (For students who started at UA Spring 2022 or later)

## **Introduction to the Gen Ed Experience: 1 Unit Course**

## **UNIV 101 (1 unit)**

helps students understand, reflect on, and articulate the purpose and value of their GE courses. Students who are classified as first-year students at the point of admission are required to take UNIV 101; other new students (including transfer and readmitted students) have the option of taking UNIV 101.

## **Exploring Perspectives (EP): 4 Courses**

students explore and practice the approaches and ways of reasoning of the Artist, Humanist, Natural Scientist, and Social Scientist.

EP: Artist (1 course, 3 units)

**EP: Humanist** (1 course, 3 units)

EP: Natural Scientist (1 course, 3 units)

EP: Social Scientist (1 course, 3 units)

## **Building Connections (BC): 3 Courses**

students explore the unique contributions of knowledge, skills, methodologies, values and perspectives from varied disciplines, social positions, and perspectives.

BC: Course #1 (1 course, 3 units)

BC: Course #2 (1 course, 3 units)

BC: Course #3 (1 course, 3 units)

## **General Education Portfolio: 1 Unit Course**

## **UNIV 301 (1 unit)**

helps students reflect upon and make meaning of their GE experience through their ePortfolio. Students who are classified as first-year students at the point of admission are required to take UNIV 301; other new students (including transfer and readmitted students) have the option of taking UNIV 301.

### **Notes:**

\*A maximum of 9 units of general education coursework may double count to fulfill requirements in a major or minor. Consult with academic advisor to discuss how this applies to your academic plan.

## **Unit & GPA Requirements**

- 120 Overall Units
- 42 Upper Division Units (300-499 level)
- 56 Units must be University Level (Not taken at a community college)
- 30 Units in Residence (In residence means taken at UA)
- 18 of 30 units in Residence must be upper division (300-499 level)
- 2.0 Cumulative GPA and 2.0 Major GPA is required to graduate
  - If a student's GPA falls below a 2.0 at any point in their undergraduate education, they
    are placed on academic warning or academic probation, and are required to meet with
    academic advisors.

## LEARNING TO USE YOUR HDFS CATALOG CHECKLIST

### **Access your HDFS Catalog Checklist**

You can download your checklist from this link: <a href="https://norton.arizona.edu/advising/human-development-family-science/catalog-checklists">https://norton.arizona.edu/advising/human-development-family-science/catalog-checklists</a>

Use the checklist for your specific catalog year or requirement term.

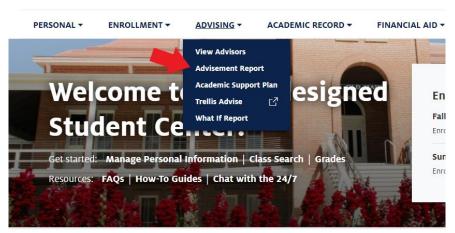

- Some requirements are different based on your catalog year, so it is important that you follow the requirements for your individual requirement term, and become familiar with those requirements
- Your catalog year is typically the year you started at the UA (although you can elect to follow later catalog years if requirements change, and if that change benefits you).
  - For example, if a student is currently following the 2018 catalog requirements because they started at UA in 2018, they can choose to update their catalog year to 2020 if requirements have changed and if that change benefits them.
- Students cannot go backward in catalog year. If you start at UA in 2020 you cannot follow a catalog year from 2019, 2018, etc.
- Your catalog year or requirement term can be found on the first page of your advisement report (see image on next page).
- Your catalog year is important, since it tells you which HDFS checklist to use and what requirements you will follow for your graduation planning.

#### • Update your checklist each semester

- Remember that your checklist is a planning tool and it should be used in consultation with your UAccess Advisement Report and your Academic Advisor
  - Bring a completed checklist to appointments to go over questions with your advisor

## UNDERSTANDING YOUR ADVISEMENT REPORT

## Access Your Advisement Report through your UAccess Student Center:

Your Advisement Report is the official record of your progress toward graduation. It follows the same general sequence as your HDFS catalog checklist. We recommend you utilize your advisement report to help you complete your HDFS checklist, and stay on track to graduation.

It's recommended that you view your advisement report as a PDF document Your Advisement Report tells you important information:

- Your requirement term or catalog year
- Your GPA (overall GPA, major GPA, and minor GPA)
- Units Required, Completed & in Progress

Note: Units listed in the total units (middle column) includes all units completed and currently in progress at UA.

Academic level	Required GPA	Actual GPA	GPA Status	Requirement Term
Undergraduate Career	2.000	4.000	Satisfied	Fall 2022
Human Dev & Family Science Major (BS)	2.000	4.000	Satisfied	Fall 2023
Thematic Minor	2.000		Not Satisfied	Fall 2022
Unit Requirements	Required Units	Total Units *	In Progress Units	Unit Status
Units Required for this Degree	120.00	53.00	17.000	Not Satisfied
Upper Division Units	42.00	0.00	0.000	Not Satisfied
Units in Residence	30.00	49.00	17.000	Satisfied
Upper Division Units in Residence	18.00	0.00	0.000	Not Satisfied

Community College Transfer students need to pay attention to the Community College Limit on their advisement report - 56 university level units are required to graduate

#### Non-Community College Units

(R1227/L10)

Not Satisfied: Non-Community College Units: While there is no limit to the total number of units of course work that may be transferred from an accredited community college to The University of Arizona, no more than 64 units from a 2-year institution may be applied toward the requirements for a bachelor's degree. Therefore, to reach the required 120 units for a bachelor's degree, a minimum of 56 units must be completed from 1) coursework at a 4-year institution, 2) approved credit by examination (refer to UA Catalog for approved examinations and scores), or 3) any combination thereof.

Units: 56.00 required, 53.00 completed, 3.00 needed

#### Your Advisement Report also keeps track of the courses you've completed and are currently taking.

TR = Transfer Course, EN = Taken and completed at UA, IP = In Progress Currently Pay attention to the red "Not Satisfied" areas. If you have questions about unsatisfied requirements, talk with your academic advisor.

Artist Courses

(R16656/L10)

Satisfied: Complete 1 course, 3 units total. Transfer students with quarter system credits may satisfy requirement with 1 course and 2.67 units.

· Units: 2.67 required, 3.00 completed

Term	Subject	Catalog Nbr	Course Title	Grade	Units	RptCd	RqDes	Туре
Fall 2023	DNC	101	Dance Appreciation		3.00			IP

Humanist Courses

(R16656/L50)

Satisfied: Complete 1 course, 3 units total. Transfer students with quarter system credits may satisfy requirement with 1 course and 2.67 units

Units: 2.67 required, 3.00 completed

Term	Subject	Catalog Nbr	Course Title	Grade	Units	RptCd	RqDes	Type
Fall 2022	CLAS	160D2	Classical Mythology	Α	3.00		HONR	EN

#### Building Connections Courses

(R16658/L10)

Not Satisfied: Complete 3 courses, 9 units total. Transfer students with quarter system credits may satisfy requirements with 3 courses and 8.01 units.

Units: 8.01 required, 3.00 completed, 5.01 needed

· Courses: 3.00 required, 1.00 completed, 2.00 needed

Term	Subject	Catalog Nbr	Course Title	Grade	Units	RptCd	RqDes	Type
Fall 2023	ESOC	150B1	Social Media and Ourselves		3.00			IP

## HDFS REQUIREMENTS

## **HDFS Supporting Requirements**

\*NSC 170C1 and NSC 101 are equivalent courses

**HDFS Supporting Requirements can be taken at any point**, but it is recommended that supporting courses are completed within the first 2-3 years.

Supporting HDFS Major Requirements: 18 units

## 

Total Units:

### Important notes:

**PSY 150 and PSY 101 are equivalent courses.** Students
cannot earn credit for both PSY 150
and 101.

Statistics and Research Methods are both required before taking two specific upper division HDFS courses – HDFS 447A or HDFS 447C (Sociocultural or Biosocial Context of Development), and HDFS 487 (Theories of Interpersonal Family Relationships). Therefore, students should plan to take statistics and research methods before their senior year, in order to complete these HDFS classes before graduation.

Some of these supporting courses are also approved general education courses.

- \* Consult with your advisor about the ability to double use courses between general education and major or minor coursework.
- \*Students who started at UA before Spring 2022: Courses taken for general education cannot be double used in the HDFS major
- \*Students who started at UA Spring 2022 or later: A maximum of 9 units of general education coursework may double count to fulfill requirements in a major or minor.

## **HDFS Supporting Requirements Continued**

The HDFS major requires 2 supporting courses focused on Biological Processes & Development, and 1 Advanced Composition/Writing Skills class. HDFS Supporting Requirements can be taken at any point, but it is recommended that supporting courses are completed within the first 2-3 years.

Supporting HDFS Major Requirements: 18 units	
Social Sciences & Human Behavior	
(select TWO courses)	
ANTH 200, 202, 261, 265, 364; EDP 200; HDFS 200, 347; PHIL 241, 346, 347; PSY 101/150*, 200, 216, 302, 306, 346, 347, 364; SOC 101, SOC 324 *PSY 150 and PSY 101 are equivalent courses	
<u>Statistics</u> (select ONE course)  HECL 201, PSY 230, SOC 375, SBS 200, Math 163,  Math 263, ISTA 116	
Research Methods (select ONE course) HECL 202, PSY 290A, SOC 374, OR AFAS 302	
Biological Processes & Development & &	•
(Select TWO courses)  MCB 181R, ECOL 182R, NSC 101/170*, NSC 301, NSC 310,  TLS 201, TLS 360, PSIO 201, PSIO 202, PSIO 380, ANTH 324  *NSC 170C1 and NSC 101 are equivalent courses	
Total Units:	
Advanced Composition Course: 3 units	
Advanced Composition* (Select ONE course)  HECL 301, ENGL 307, ENGL 308, ENGL 340, OR ALC 422	
Total Units:	
*Must earn B or better if B was not earned in ENGL 102,	

ENGL 108, or ENGL 109

Biological Processes &
Development: Students
interested in health professions
or graduate schools that
require Biology or Physiology
should consider taking those
sciences to fulfill this
supporting requirement.
Students who are not
interested in health professions
are encouraged to take the
NSC, TLS, or ANTH course

## **Midcareer Writing**

options.

Assessment: All students must take a course in this area to fulfill the advanced composition requirement in the HDFS major. However, the grade you must receive in this course depends on whether you received a B or better in ENGL 102 or ENGL 109H.

Students who did not pass ENGL 102 or ENGL 109H with a B or better, must complete this upper division writing class with a B or better in order to fulfill the University of Arizona's writing requirement necessary for graduation.

## **HDFS Major Requirements**

HDFS Major Courses: 40 units	HDFS Lower Division Coursework:
	It is recommended that HDFS Lower
HDFS Core Lower Division Coursework (10 units) HDFS 197A: Introduction to HDFS (1 Unit)	Division Coursework (specifically HDFS
	117) is completed before beginning
HDFS 117: Lifespan Human Development	HDFS Upper Division Coursework.
HDFS 237: Love, Intimacy, and Relationships	
HDFS 257: Contemporary Families	HDES Hanor Division Courseworks
Total Units:	HDFS Upper Division Coursework:
HDFS Core Upper Division Coursework (30 units)	The HDFS degree consists of 10 total
*It is recommended that students complete HDFS 117 and all other HD	
core lower division coursework before beginning HDFS upper division coursework, see prerequisite list for all recommended/required course.	Seven Core Courses are required, and 3
	Liective Courses are required.
HDFS 323: Infancy/Child Development  HDFS 377: Adolescence	Some Upper Division HDFS courses have
<del></del>	recommended and required
*HDFS 384: Leadership/Ethics/Professional Practices  *HDFS 384 has a pre-requisite of HDFS 197A and junior standing	prerequisites that students must
HDFS 413: Issues in Aging	complete before enrolling. Students
HDFS 427A: Mental Health & the Family: Adulthood	should follow the HDFS Prerequisites
OR HDFS 427C: Mental Health & the Family:	Guide (page 17 of this guide). Following
Childhood & Adolescence	recommended and required
HDFS 447A: Sociocultural Context of Development	prerequisites will ensure you are
OR HDFS 447C: Biosocial Development	adequately prepared for all your future
*HDFS 447 has a prerequisite of statistics and research methods	coursework.
HDFS 487: Theories of Interpersonal & Family Relationships	
*HDFS 487 has a prerequisite of statistics and research methods	
	Complementary Topic: HDFS Upper
HDFS Complementary Advanced Topics (select ONE course) HDFS 401,405, 408, 427A/C*, 447A/C*, 450, 496Z	Division Content Course of your
HECL 496A/C (see UAccess for course titles)	choosing (see list below)
*If HDFS 427A is used to fulfill HDFS core coursework, students may	
choose to take HDFS 427C to complete their Complementary Topic	
requirement, and vice versa. Same policy applies to HDFS 447A/C.	Applied Skills & Methods: Courses
HDFS Applied Skills and Methods (select ONE course)	designed to give students experience
HDFS 491 (Preceptorship), 492 (Research), 493 (Internship),	outside of the classroom (see list below)
494 (Practicum), 499 (Independent Study), or	
498H (Honors Thesis)	Upper Division Elective: Students can
*Department consent required to enroll in applied skills classes	choose to take another Complementary
UDEC Honor Division Floating (solest ONE access)	Topic Course that fits their interests, or
HDFS Upper Division Elective (select ONE course)  Any additional Comp Topic or Applied Skills Class	students can choose to complete
Any additional comp Topic of Applied Skills Class	another Applied Skills course to gain
	additional experience outside of the

traditional classroom setting

### What are Complementary Topics Courses?

Complementary Topics Courses are HDFS courses you get to choose, based on your interests!

- HDFS 401 Basic Skills in Counseling
- HDFS 405 Theories of Counseling
- HDFS 408 Program Planning and Evaluation
- HDFS 427A Mental Health & the Family: Adulthood
- HDFS 427C Mental Health & and the Family: Childhood & Adolescence \*If HDFS 427A is used to fulfill the HDFS core coursework, students may then choose to take HDFS 427C to complete their Complementary Topic requirement, and vice versa
- HDFS 447A: Sociocultural Context of Development
- HDFS 447C: Biosocial Development \*If HDFS 447A is used to fulfill the HDFS core coursework, students may then choose to take HDFS 447C to complete their Complementary Topic requirement, and vice versa
- HDFS 450 Human Sexuality
- HDFS 496Z Topics in HDFS (topics change and are offered based on instructor availability)

**Reminder About Upper Division Units:** 42 Upper Division Units (300-499 level) are required to graduate. HDFS Students need to be aware of this requirement and ensure they are meeting it.

## What are Applied Skills Courses?

### **HDFS 493 - Internship**

Supervised, experiential, and professional work related to HDFS. These experiences give students the opportunity to practice classroom learning in a real-world setting. They also provide the opportunity to gain experience working with organizations, or with demographics, that you are passionate about

- The Internship Course is offered in the fall, spring, and summer semesters
- Students must be HDFS Majors to enroll in internship units during the fall and spring, HDFS
  minors and majors can enroll in internship units over the summer. We recommend that
  students have completed HDFS 117, HDFS 237, and HDFS 257 before enrolling
- 2.25 GPA (Major and Cumulative GPA) is recommended
- To complete 3 units of internship, students must work 135 total hours at their site

HDFS internship opportunities are posted online here:

<u>https://norton.arizona.edu/students/internships/internship-listing/hdfs</u>, and sent to the HDFS email listserv weekly

All students interested in enrolling in internship units must complete an internship workplan with their worksite. Once completed, this workplan should be submitted to Cassandra Ott-Kocon, the HDFS internship instructor so she can approve your internship and enroll you in you in the course. <a href="https://norton.arizona.edu/HDFS/internships">https://norton.arizona.edu/HDFS/internships</a>

#### HDFS 492 - Directed Research

Supervised work alongside a faculty member, participating in academic research related to HDFS. These experiences are great for those students interested in graduate school, or those interested in developing their research skills

- 2.25 GPA (Major and Cumulative GPA) is recommended
- Look at research opportunities online <a href="https://norton.arizona.edu/students/research-opportunities-listing">https://norton.arizona.edu/students/research-opportunities-listing</a>
- Contact faculty members you are interested in working with. Browse faculty research at <a href="https://norton.arizona.edu/people">https://norton.arizona.edu/people</a>
- Once you find a research opportunity, complete the independent study form, and turn your application in to Student Services (McClelland Park room 203) or to your academic advisor via email in order to get enrolled. Talk with your faculty member about the course best for you:
  - Research HDFS 492 (letter graded, does count toward GPA)
  - o Independent Study HDFS 499 (Pass/Fail, does not count toward GPA)
  - o Honors Thesis HDFS 498H (letter graded, does count toward GPA)

#### HDFS 491 - Preceptorship

Supervised teaching experience alongside an HDFS faculty member. Preceptors are part of a teaching team and help facilitate learning in HDFS classes they have previously and successfully completed

- GPA requirements are up to the instructor you are working with
- Talk with instructors you are interested in preceptoring for
- Once you find a preceptor opportunity, complete the preceptor application and turn your application into Student Services (McClelland Park room 203) or to your academic advisor via email in order to get enrolled

## **HDFS Experiential Learning Advising**

Connect with Cassandra Ott-Kocon HDFS the Norton School Experiential Learning Coordinator – <a href="https://norton.arizona.edu/hdfs/internships">https://norton.arizona.edu/hdfs/internships</a>

- Cassandra can help all HDFS students as they explore internship and research opportunities and as they begin to complete their steps for enrolling in their applied skills credit.
- Cassandra also works with Norton School students on resume building, cover letters, personal statements, interview preparation, and career development.

## **Applied Skills Information and Applications Can be Found Online:**

- Internships & Practicum: <a href="https://norton.arizona.edu/HDFS/internships">https://norton.arizona.edu/HDFS/internships</a>
- Research & Independent Study: <a href="https://norton.arizona.edu/advising/human-development-family-science/forms-applications">https://norton.arizona.edu/advising/human-development-family-science/forms-applications</a>
- Preceptor Form: <a href="https://norton.arizona.edu/advising/human-development-family-science/forms-applications">https://norton.arizona.edu/advising/human-development-family-science/forms-applications</a>
- Turn completed applications in to McClelland Park room 203, or to your advisor via email, and advisors will enroll you in your units

## **HDFS Student Program Fee**

When students reach junior status (60 or more units completed), students in the HDFS major will be charged a \$200 per semester student fee. This student fee supports:

- Professional development workshops and events
- Professional development courses like HDFS 384 and HDFS internship courses
- Academic advising and internship coordination that students have access to as they reach junior status in the HDFS program

## **CALS Career Center**

**Connect with the CALS Career Center** for additional assistance with resume building, career exploration, internship exploration, interview preparation, and graduate school preparation. They also host a lot of great workshops and events for career preparation and professional development! https://career.cals.arizona.edu/

## **Student Engagement and Career Development**

**Connect with student engagement and career development** for workshops, resume reviews, career fairs, and Life Lab for major and career exploration. <a href="https://career.arizona.edu/">https://career.arizona.edu/</a>

## **HDFS Course Descriptions**

#### **HDFS Lower Division Courses**

**HDFS 117: Lifespan Human Development** - Behavioral science approach to human development through the lifespan

**HDFS 237: Love, Intimacy, and Relationships** - Behavioral science approach to close relationship development

**HDFS 257**: **Contemporary Families** - Family relationships can be rewarding, challenging, complicated, and more. This course overviews research from the family science field covering topics related to contemporary family life including gender roles, work/family balance, marriage, parenthood, divorce, blended families, family violence, and related topics.

## **HDFS Upper Division Courses**

**HDFS 323**: **Infancy/Child Development** - Growth, development, and socialization of the child within the family setting, from conception to the middle school years; observations of infants and preschoolers

**HDFS 377**: **Adolescence** - This course is designed to provide you with an in-depth understanding of adolescent development, including the relationships between theory, research, and practice. We will examine various aspects of adolescent development, focusing on the major developmental milestones (such as identity, intimacy, and sexuality), transitions, strengths, and challenges of adolescents, as well as the contexts in which these occur. Additionally, this course will introduce you to the practice of working with adolescents and their caregivers, and provide opportunities for you to apply research and theory to specific issues of adolescent development (such as best practices for structuring out of school programs).

**HDFS 384**: **Leadership, Ethics, and Professional Practices** - Theories and applications of leadership and communication applied to professional decision-making, planning and control in the workplace. Examination of personal and professional qualities essential for successful internship and career planning. Roles, responsibilities, and ethical standards for professionals will be examined

**HDFS 413**: Issues in Aging - This course addresses major issues facing older adults and their families, society, and how earlier life experiences influence our older adult years. This class will tackle questions such as: What opportunities and challenges do adults face as they age? What resources and barriers shape their lives? How do physiological, psychological, interpersonal/family, economic, and sociohistorical factors affect the experience of aging? How do gender, social class, and ethnicity influence the experience of aging? How do government policies, community services, the healthcare system, and health interventions affect the lives and well-being of older adults?

**HDFS 427A: Mental Health & the Family: Adulthood** - This course overviews a variety of mental illnesses and relationship problems in adulthood, with specific focus on how those issues impact individuals and their family systems. Prevention and treatment approaches for these issues are discussed, including research-supported therapeutic approaches and family-based strategies.

**HDFS 427C:** Mental Health & the Family: Childhood & Adolescence - This course overviews intellectual disability, learning disabilities, and a variety of mental illnesses in childhood and adolescence, with specific focus on how those issues impact individuals and their family systems. Prevention and

treatment approaches for these issues are discussed, including play-based and other therapeutic interventions, family-based methods, and school and community strategies.

**HDFS 447A: Sociocultural Context of Development** - In-depth examination of human development from a sociocultural perspective; focus on socialization processes in childhood and adolescence and the role of the social and cultural context in those processes

**HDFS 447C:** Biosocial Development - This course addresses topics in human development (e.g., family relationships, sexual development, competitive behavior, sex differences, the adolescent brain) from evolutionary and biosocial perspectives

**HDFS 487**: **Theories of Interpersonal & Family Relationships** - Critical analysis of selected studies and current research in family relations

**HDFS 401: Basic Skills in Counseling -** Selected counseling skills and their applications. Designed for students needing basic skills in counseling as an adjunct to other primary occupational functions

**HDFS 405: Theories of Counseling -** Techniques for the study of human behavior; implications for improving adult-child relationships, applying various theories of counseling

**HDFS 408: Program Planning & Evaluation** - The overall objective of this course is to guide and assist students as they conduct a thorough case study of an existing or proposed social service, educational or community program/agency. The course is designed to provide students with applied knowledge of program planning components as well as program evaluation techniques.

**HDFS 450: Human Sexuality** - Overview of human sexuality from development and interpersonal perspectives, topics to include reproductive physiology and health, sexual function and dysfunction, educational and intervention strategies

**HDFS 496Z** - In-depth coverage of special topics in Human Development & Family Science (rotating topics).

## **HDFS Prerequisite Guide & Typical Course Offerings**

HDFS COURSE INFORMATION

#### HDFS UPPER DIVISION: UPPER DIVISION ELECTIVE (CHOOSE AT LEAST ONE)

Choose to complete any additional Complementary Topics Class, or any HDFS Applied Skills Course from lists above

\*Course offerings are subject to change each semester based on department ability to offer coursework

## **Minor Requirements**

All HDFS Students are Required to Have a Minor

- Most Minors are at least 18 units, and 9 units must be upper division
- Students are encouraged to choose a minor in an area related to their career goals
- You may choose any minor on campus, or take courses toward a thematic minor
  - Minor Advising Directory: <a href="https://ua-trellis.my.site.com/Public/s/advisors-by-minor">https://ua-trellis.my.site.com/Public/s/advisors-by-minor</a>
- Many HDFS students also choose to complete a thematic minor. A thematic minor allows students to create and structure their own minor in consultation with an HDFS advisor
  - Thematic minors encourage students to take a variety of courses that will prepare them for future goals and careers
  - Common themes include Counseling, Education, Health, Social Work, and Law & Policy
  - For more information about Thematic Minors visit our website: https://norton.cals.arizona.edu/HDFS/thematicminor

## HDFS & PRE-HEALTH PROFESSIONS

HDFS is a friendly major to those students interested in health-related professions:

- Nursing
- Occupational Therapy
- Physical Therapy
- Physician's Assistant
- Physicians

(Select TWO courses)

MCB 181R, ECOL 182R, NSC 101/170\*, NSC 301, NSC 310, TLS 201, TLS 360, PSIO 201, PSIO 202, PSIO 380, ANTH 324

\*NSC 170C1 and NSC 101 are equivalent courses

Students interested in Pre-Health professions should talk with both their HDFS Advisor and a Pre-Health Advisor about how to incorporate sciences into their UA Degree in order to meet science pre-requisites

Pre-Health Advising: <a href="https://theacenter.arizona.edu/pre-health/pre-health-professions-advising">https://theacenter.arizona.edu/pre-health/pre-health-professions-advising</a>

## **Example of Incorporating Pre-Health Sciences:**

Many pre-health professions require sciences like biology, chemistry, physiology, and additional requirements. Students interested in health focused careers and graduate programs should not take any general education Natural Science courses. Instead, they should take lab-based sciences to fulfill requirements for their future health related goals and graduate programs.

Courses like Chemistry and Biology can be used to fulfill Natural Science general education requirements.

Students interested in health professions can also fulfill necessary science courses within the HDFS Biological Processes & Development requirements.

Students can also create thematic minors, focused on a theme of their choosing (like "Nursing Preparation" or "Occupational Therapy Preparation") in order to fit their necessary science requirements into their graduation plan.

requirements into their graduation plan.		
GENERAL EDUCATION*		HDFS THEMATIC MINOR OR OTHER MINOR:
UNIV 101: Intro to General Education (1 unit)		18 Units (9 must be upper division)
Exploring Perspectives (1 course in each area)		
Artist:		HDFS majors can choose any minor on campus or create
Humanist:		thematic minor in consultation with an HDFS advisor
		MCB 181R
Natural Scientist: NSC 170C1 or NSC 101		MIC 205A
Social Scientist:		CHEM 130/130L or CHEM 152
Supporting HDFS Major Requirements: 18 un	its	CHEIN 130/130E OF CHEIN 132
Riological Processes & Develonment		

## HDFS CAREER OPPORTUNITIES

The HDFS program at the University of Arizona provides a multidimensional approach to understanding human behavior and relationships from psychological, social, cultural, and biological perspectives. You will build interpersonal skills and learn how to apply your knowledge in a career or graduate program that suites your interests and goals.

In the HDFS program, you will explore topics like adolescence, child development, family relationships, mental health, counseling, youth programs, and more. You will partner with faculty that have firsthand experience working with families and individuals in many contexts. Our program has an excellent network of community agencies and programs that provide internship opportunities and hands-on learning for our students to apply what they learn in real-world settings.

Whether you're stepping directly into a people-focused career after graduation or using your HDFS degree as a launch-pad into a master's program, we will provide you with knowledge, skills, and opportunities to put them to use throughout your experience in our program. Launch your career in the helping professions to improve life for children, teens, older adults, individuals and families. Soon you will be providing support to people in need, and you will be well-equipped to meet challenges head-on.

Family Studies leads to a variety of rewarding careers & graduate school opportunities. Here are just a few of the possibilities:

- Rehabilitation/Mental Health Counseling
- Social Work
- Nursing
- Occupational Therapy
- Human Resources
- Child Life Specialist
- School Counseling
- Social Policy
- Community and Public Health
- Education

- Marriage and Family Counseling
- Program Development and Coordination
- Child Advocacy
- Family Law
- Social Science Research
- Healthcare
- Medical School
- Physical Therapy
- Physician's Assistant
- Gerontology

## TRANSFER CREDIT

#### https://transfercredit.arizona.edu/

For all transfer coursework, before taking the course you should verify that credits will transfer to UA and fulfill necessary requirements.

### For courses taken at Arizona Community Colleges:

- Use the aztransfer.com Course Equivalency Guide to make sure that you take correct courses at your local AZ community college: <a href="http://aztransmac2.asu.edu/cgi-bin/WebObjects/CEG">http://aztransmac2.asu.edu/cgi-bin/WebObjects/CEG</a>
- For a list of common course equivalencies at Pima, Arizona Western, and Rio Salado for HDFS requirements, see Transfer Course Equivalency List on our website: <a href="https://norton.arizona.edu/advising/human-development-family-science/catalog-checklists">https://norton.arizona.edu/advising/human-development-family-science/catalog-checklists</a>

#### If You Plan to Take Courses Outside of Arizona:

• View the UA Transfer Credit Guide to see if the out of state courses at the institution you will attend have already been evaluated: <a href="http://aztransfer.com/UACEG/UA">http://aztransfer.com/UACEG/UA</a> CEG OutOfState.html

#### **Transfer Credit Approvals:**

- For approval of other courses not listed on the UA Transfer Credit Guide or on the AZTransfer.com Course Equivalency Guide, submit a Course Equivalency or Credit Request here: <a href="https://transfercredit.arizona.edu/content/credit-evaluation">https://transfercredit.arizona.edu/content/credit-evaluation</a>
- Math courses need specific approval from the Math department: http://math.arizona.edu/academics/placement/credits

#### **Transfer Credit Reminders:**

- C or better needed in all transfer work
- You cannot GRO classes taken elsewhere
- Once coursework is complete, you need to send official transcripts to the UA: <a href="http://registrar.arizona.edu/academics/sending-college-level-transcripts-ua?audience=students&cat1=7&cat2=28">http://registrar.arizona.edu/academics/sending-college-level-transcripts-ua?audience=students&cat1=7&cat2=28</a>

#### **Studying Abroad**

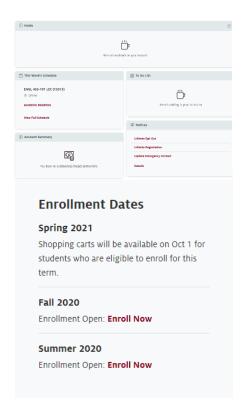

### https://global.arizona.edu/study-abroad

 HDFS has approved Global Tracks with UA Barcelona, UA London, and UA Rome. Check out Global Tracks here: https://international.arizona.edu/study-abroad/global-tracks

If you plan to study abroad, see your advisor early to talk about planning for your semester away. Many HDFS students study abroad, and graduating in four years while also studying abroad is feasible with the right planning:

- Saving some general education & minor coursework is often best, but if you study at an
  institution abroad that has a Family Science Program, you may be able to earn credit toward
  your major
- Consider when you want to go, and consider the classes you would take while away
- See your major advisor to talk more about your study abroad goals and course options!

## REGISTRATION TIPS AND REMINDERS

Check notices and holds - past due balance, academic warning/advising holds, etc. may restrict you from registering!

Every student is given an enrollment date, which is assigned in UAccess. Your registration appointment will begin at 6AM on the date assigned, and remain open until the start of the next semester.

Starting in October and March each semester, you can view your enrollment date on your UAccess student page.

This will tell you when you can start adding courses to your shopping cart and when you can begin enrolling in courses.

Remember that your enrollment date is based on your class standing, which is based on units completed as of the beginning of this semester, not how many years you've been a student.

- Fewer than 30 units = freshmen registration
- 30 or more units = sophomore registration
- 60 or more units = junior registration
- 90 or more units = senior registration

 $\frac{Registration\ tutorials}{Registrat's\ Website}\ \&\ \underline{Registration\ dates}\ are\ also\ listed\ on\ the$ 

#### **Common Enrollment Error Messages:**

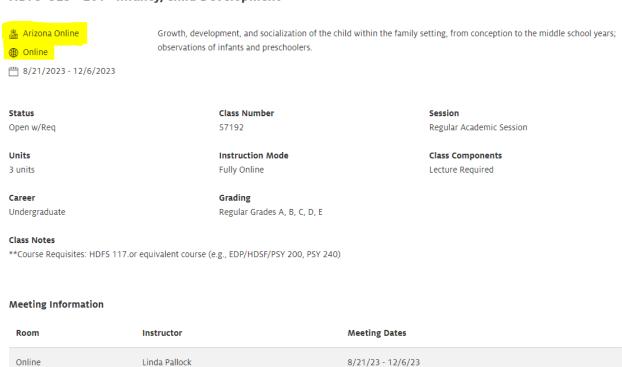

If you get an error message when enrolling in a course, take a minute to think about why:

- Do you meet the enrollment requirements and prerequisites listed for the course on UAccess?
  - When searching for courses, always click on the course and look at the "enrollment requirements" listed
  - You can also use the "check availability" feature in your UAccess shopping cart in order to determine your ability to enroll in a course
  - During the beginning of your enrollment period, some courses may only be available to students declared in certain majors. Once all students (Seniors through Freshmen) have had their enrollment period, departments will often open courses that may have been restricted to you earlier (like PSY and SOC courses). This means that you can keep courses in your shopping cart, and try enrolling later, once some courses become available to you.
- Are you trying to enroll in a course that requires department consent?
  - Courses like internship, preceptorship, research, or independent study require you to submit an application before getting permission to enroll in these courses. You cannot enroll yourself in these courses.
- Are you trying to enroll in a course that is restricted only to Honors students?
- Are you trying to enroll in a course through one of UA's distance or online campuses? Main campus students only have ability to enroll in main campus courses.
- Trying to enroll in more than 19 units?
  - You need permission to enroll in more than 19 units, and can get that permission by talking with your major academic advisor

## **Examples: Checking Enrollment Requirements**

When Registering for HDFS Courses, make sure you look at **location (Main Campus)**Courses offered through the Online Campus or Yuma Campus are not available to UA Main Campus students

## HDFS 323 - 201 Infancy/Child Development

For all courses, make sure you look at enrollment requirements to determine your eligibility to enroll

## HDFS 447A - 001 Sociocultural Context of Development

🖺 University of Arizona - Main

In-depth examination of human development from a sociocultural perspective; focus on socialization processes in childhood and adolescence and the role of the social and cultural context in those processes.

⊕ Tucson

8/21/2023 - 12/6/2023

Status Class Number Session

Open w/Req 30086 Regular Academic Session

#### **Meeting Information**

Days & Times	Room	Instructor	Meeting Dates
MoWe 2:00PM - 3:15PM	McClelland Park, Rm 103	Linda Pallock	8/21/23 - 12/6/23

## **Tips: Searching for Classes**

- Make sure you are searching in the correct **term**
- Looking for a full 15 week course, or a 7 week course? Use the **session** dropdown menu to filter (7 week sessions are available for many GE courses each semester)
- Looking for a specific class in a certain subject area? Use the subject search area, and type in the catalog number
- If you want to see all classes offered, even classes that are currently full, uncheck the "show open classes only box"
- Use Advanced Filters, Course Attribute, and Course Attribute Value Fields to search for general education classes.
- For Students who started at UA before Spring 2022, select "Gen Ed Tiers (Before 2022)"
- For Students who started at UA Spring 2022 or later, select "Gen Ed (Begins 2022)"
- Looking for an **online class or in person class**? You can search for course modalities that fit your needs by filtering for the "**mode of instruction**"

## IMPORTANT POLICY INFORMATION

Get to know the Catalog: <a href="http://catalog.arizona.edu/">http://catalog.arizona.edu/</a>

Get to know the Registrar's Website: <a href="http://www.registrar.arizona.edu/">http://www.registrar.arizona.edu/</a>

#### Dates & Deadlines

 Make sure you understand important deadlines each semester, like last day to add courses, last day to drop without a W, last day to drop on your own through UAccess, last day to file for GRO, and last day to receive a refund. Bookmark this page and refer to it every semester https://www.registrar.arizona.edu/dates-and-deadlines

## Grade Replacement Opportunity (GRO)

- GRO offers students the ability to replace grades of C, D, or E by repeating the course. Grades
  earned using the GRO will replace one previous grade for the course in the calculation of the
  GPA.
- You can replace up to 3 courses.
- <a href="http://registrar.arizona.edu/academics/grade-replacement-opportunity-gro">http://registrar.arizona.edu/academics/grade-replacement-opportunity-gro</a>

## Withdrawing from Courses

- Understand Withdrawal Deadlines and Withdrawal Options
- You can receive a W in a maximum of 18 units (6 classes)
- Medical / Retroactive Withdrawal is possible for students with medical or personal circumstances affecting completion of coursework
- Always talk with advisors about these policies and the options best suited for you

### Back 2 UA

- You can leave the UA for two semesters, if you are in good academic standing, and return
  without having to reapply to the university <a href="https://admissions.arizona.edu/how-to-apply/returning-students/back2ua">https://admissions.arizona.edu/how-to-apply/returning-students/back2ua</a>
- If you have a scholarship, check with the Scholarship Office about taking time away from UA

#### Financial Aid & Bursar's Office

- Understand your financial aid and ask questions
- Review information about summer financial aid: <a href="https://financialaid.arizona.edu/types-of-aid/summer">https://financialaid.arizona.edu/types-of-aid/summer</a>
- For tuition and fees visit the bursar's office: http://bursar.arizona.edu/students/fees

### Academic Eligibility

A 2.0 GPA is required to be in good academic standing. Students below a 2.0 are on academic warning or probation, and are required to meet with advisors to go over academic plans.
 <a href="https://catalog.arizona.edu/policy/undergraduate-academic-eligibility-policy">https://catalog.arizona.edu/policy/undergraduate-academic-eligibility-policy</a>

Have a scholarship?

 Make sure you understand how many units you need to take each year at UA: (most require 24-30 units per academic year at the University of Arizona) <a href="https://financialaid.arizona.edu/types-of-aid/scholarships">https://financialaid.arizona.edu/types-of-aid/scholarships</a>
