

WE'RE HIRING

COMMUNITY RESEARCH INTERNSHIP SPRING 2024

Are you a passionate and driven student looking to make a real impact in your community while gaining invaluable professional experience?

Internship Scope:

- Paid Internship in Applied Research and Community Engagement
- Discover Your Community's Potential: Immerse yourself in the heart of your community and become a catalyst for positive change.
- Hands-On Research: Work directly with a community organization on groundbreaking research projects that matter.
- Collaborative Engagement: Forge meaningful connections and partnerships, while promoting the well-being of children, youth, and families.
- Enroll in a 3-Credit Professional Development Course: Expand your skillset and boost your resume.

If you have any questions, please email Melissa Barnett, barnettm@arizona.edu

DEADLINE TO APPLY: DECEMBER 1, 2023
