Topic: Parenting

Description: This course will examine parenting practices and parent-child relationships from infancy through young adulthood within various family contexts (e.g., 2 parents, single parent, LGBTQ+, inter-racial, immigrant, adopted families, etc.) We will focus on positive, evidence-based parenting practices associated with communication, attachment, discipline, and raising responsible, respectful children. The course will also cover theoretical perspectives on parenting, as well as the influence of cultural, social, and economic factors on parenting practices.

- **HDFS 497A:** Preparing for Graduate School (1-unit) 7W2 iCourse

ADVANCED COMPOSITION

- **HECL 301:** Applying Critical Thinking to Discourse M/W 11:00-12:15 In Person
